NEWS – Tools – Change of ride type

We have improved the tool "Change of ride type" (Tools / User Tools / Change of ride type) for the possibility of selecting all private or all business trips and making multiple changes to them.

NEWS – Personal settings

We have added a new functionality for all our cusotmers who use the remote tachograph backup service. Now they can see an overview of whether the business card is present and connected in order the tachograph archiving service is fully functional.

This information is now displayed in Personal Settings for user with admin rights.
